What's new

New OWL app where you can send push alerts

Google Play https://play.google.com/store/apps/details?id=uk.directpath.owlapp

App Store https://apps.apple.com/gb/app/owl-crime-safety-alerts/id1563254499

Website: https://www.owl.co.uk/herts/

Schemes: Select one main scheme to join

- (●) Neighbourhood Watch
  The most popular scheme for residents to receive alerts and appeals regarding local incidents, plus crime prevention advice, directly from their local police, council and watch coordinator.
- ( ) Business Watch
  To hear about incidents and scams impacting businesses, join using your business postal address.
- ( ) Shop Watch
  To hear about incidents and scams impacting retailers, join using your business postal address.

Optional Schemes: Join other schemes if relevant to you

- [ ] CCTV Watch
  If you have CCTV or a video doorbell with recording (located at the address you're providing below) and would like to help the police with local investigations by providing access to recordings if asked, join CCTV Watch and your camera will be privately logged on OWL.
- [x] Dog Watch
  For dog owners who would like to receive occassional messages relating to canine crime and the well-being of dogs in your area.
- [ ] Rural Watch
  For anyone living or working in rural areas.
- [ ] Horse Watch
  For horse and pony owers, riders, and anyone who works with them.
- [ ] Allotment Watch
  If you're one of the UK's 300,000 allotment plotholders.
- [ ] Canal Watch
  For people who live, work or relax on or next to canals.
- [ ] Heritage Watch
  If you live or work at or close to an historic site or building.
